Creek Valley Soldiers' Memorial

Meeting re the above was duly held on March 8th when the minutes of June 2nd, 1918, were read and confirmed.

Mr. Harland Grayburn was elected Chairman of the Committee in place of Mr. Hazen who has left the District.

Plans of proposed Memorial were inspected and the matter of joining the Monitor movement was discussed, but it was thought that a purely distinctive Memorial placed in the Creek Valley School Grounds would be effective in keeping the memory of fallen ones alive, as it would be before the gaze of the school children and passersby daily. A fine stone design was selected, if promised subscriptions would warrant it being erected, and the design of the Roll of Honor for the interior of the school left till the next meeting which will be called when Peace is actually signed. In the meantime the Committee will be glad to have promises of subscriptions, same payable as convenient.

Play Ball!

The baseball enthusiasts held a fanning bee in the Hotel on Wednesday night when plans were laid for the coming season. There was a good turnout of those interested and a lively discussion took place. The following officers were elected for this year: W. W. Wilson, M.P. P., Hon. Pres.; Pat Stewart Manager; M. A. Vanhorn Asst-Mgr; A. H. Garries Sec-Treas. Finance Com. Ehlinger, Tarr and Thompson. Utility Com. Fawcett and McCulloch.

There will be a public meeting in the Reception Room of the Hotel, on Wednesday March 26 at 8 p. m., to discuss ways and means for Monitor's Annual Sports Day. The ladies of the town are urged to be present.

A site, with a 100 ft frontage on Main St., has been selected for the G. W. V. A. Memorial Building.

The Blair Challenge Cup, donated by W. J. Blair, M. P., is open to all Curling Clubs, on this line, between Coronation and Compeer. The Cup was presented to Coronation, who lost it to Veteran, and then a rink from Monitor took it from Veteran. The cap is on display in Lucas & Ehlinger's window.

H. J. Uddenberg and family returned from Drumheller on Thursday.

Mr. and Mrs. L. P. Dickason arrived home, yesterday, after spending the winter months in Seattle.

A. Bradshaw, of Hanna, conducted the examinations for steam engineers, yesterday, there being only two applicants.

The local curlers have been expecting a challenge from the Coronation club, all week, and they are still waiting.

Plans for the local Soldiers' Memorial Building are progressing favorably. There will be a public meeting on Wednesday night, at 8 p. m., in the Hotel, to further discuss this matter and also the Sports Day.

ESTRAY

On the premises of J. R. McAulay, Sec. 9-30-5, One red Steer, rising 3 yrs, star on forehead, lined back, branded 64 on left ribs and 3 KN on left hip.

BUSY BIDEFORD

Mr. and Mrs. Jack Kennedy were visiting at Jack's home at Roseland, lately, but Mrs. Jack is now back in Bideford and we hear that when Spring comes they will take wings and fly to their own nest. Here's good wishes for all kinds of success on the farm.

A little bird whispers that Cupid has business in Busy B. Now we've got you guessing.

Miss Lizzie McLeod is home for a short vacation from Ker-robert. We are told Lizzie is looking fine and dandy.

Our Miss Inkster's sister is in charge of the Junction Valley School, and it is progressing nicely under her charge.

Mrs. McLeod and Mrs. Conquest returned home, on Tuesday, from attending the W. I. convention at Calgary. We hear that both ladies are stoney broke, but perfectly happy, having had a royal time in the city. Just like a woman.

Put "quarters" into Thrift Stamps.

The "Woman with the Bag" blew into Bideford with more bags than she could carry. Judging by the weight they must have been bombs, but she relieved our minds by telling us it was books for the boys.

No liquor either, only literature.

This is the age of rush, barely time to breathe. A man who missed the train at Coronation managed to catch it alright at Veteran by walking, he got there first. The rate of C. P. R. travel was three hours for sixteen miles.

Charlie Dimaniski and Stella Grunski, of Bideford, were united in marriage, at Coronation, on March 11th.

Whitton Wheezes

The Polsons returned, recently, from the North where they have been working this winter. While hauling fish from Buffalo Lake they had the misfortune to lose a valuable horse.

Mrs. W. Fraser is home from Provost where she had taken her daughter for medical treatment.

Mr. and Mrs. Evander McDonald were called to Veteran owing to the illness of Mrs. McDonald's brother. Wilhe Campbell looked after the stock during their absence.

Ernie Vasey is home again from the North and while up there he purchased an improved quarter-section, being greatly taken with that district as a stock country. Ernie brought a load of fish back with him.

Miss Geneva McDonald is taking music lessons under the tuition of Mrs. Wheeler.

Alex McDonald has been busy hauling his seed wheat out from town.

We are sorry to learn that the Rev. McNitt has resigned his charge owing to poor health. He will preach at Whitton every Sunday, at 3 p. m., until he leaves.

Donald Campbell has been hauling hay every day for the past month, except Sunday, storm or no storm. Don can stand it if any one can.

Save by the W. S. S. Plan.

Cramer & Garries, Auctioneers, will conduct an Auction Sale for John Worobe, on Sec. 3, Tuesday March 25th.

Seven head of horses and 18 head of cattle will be disposed of. Sale at 1 p. m.

Navy League of Canada

The Navy League of Canada has recently issued five leaflets dealing with splendid work done by the British Navy and the Merchant Marine. They also deal with the policy of the Navy League, and what Canada owes to the British navy.

There are 1556 members of the League in Alberta, and a total of 52,838 members in the Dominion. "The Sailor" in the official organ of the League and it is sent to every member.

Note and Comment

Now that Spring is in sight, just around the corner, our thoughts are turning to the long summer evenings when baseball, tennis, and other such sport will be on tap. Several meetings have already been held by the baseball fans, and a good season is looked for.

Tentative plans have also been discussed for a big Sports Day, but whisper, no dust storm please.

The three Seed Grain Bills that were up before the House, at Edmonton, were passed last week. The farmers of Alberta will be supplied with seed, up to a stated sum, and in certain cases feed will also be supplied. The Government now has men out in the various districts who are looking after the applications for seed. The distribution will take place shortly.

If you would believe in the honesty and integrity of your friends, don't endorse their note

A horse-race is an interesting event to some, but more of your friends are interested in any event that concerns you. If you go away on a visit or friends come to visit you, see that the fact reaches this office before publication day.

The British Brotherhood

God save our Empire grand.
The freeman's fatherland,

Wide as the world!
Still may its frontiers grow.
Its sons be swift to go
To greet all winds that blow.
With flag unfurled!

And may the races strange,
With dusky limbs, who range

These regions vast,
Love the same laws as we.
From utmost sea to sea—
Be as one family
With us at last.

May all our borders flow
With milk and honey; know
Long years of peace;
But should war's clarion fight,
And every land be found
Against us, Lord, confound
Our enemies.

And may the realms that reach
Round the great globe, whose speech
Is Shakespeare's own,
Closer bonds unite,
Beneath one banner fight,
And lead the world to light
And to Thy Throne!

—Arthur Bennett.

WOMEN AND THE W. S. S.

It is possible for the women of Canada to play a very important part in the War Saving and Thrift Stamp campaign. They must do so, if it is to be made the success that it should be. Supreme in the home, mothers can do more than all others to train the children of Canada in habits of thrift.

The Canadian Women rendered invaluable services during the war. The country can never realize how much they did. In every department of war work, Red Cross, Patriotic Fund and in a score of other activities, they labored long and unselfishly. They gave a background to the country's war effort that was not only admirable but most effective.

It is to be observed that most of this work was done through organizations. The importance of individual efforts was always appreciated, but it was also realized that working in groups the women could do infinitely more than when working individually. Close association imparted steadfastness and continuity of policy, and brought a multitude of new ideas to the work in hand.

The war work in general is now pretty much over, but that of War Savings in Canada has really only begun. Canadians should do all they can to promote the movement in their homes and also through the formation of War Savings Societies. What community effort did in Red Cross and other war work it can do to further the War Savings movement.
